Great School. Great Future

Mrs. Sheetal Deva
principal, Zee School

Dear all,

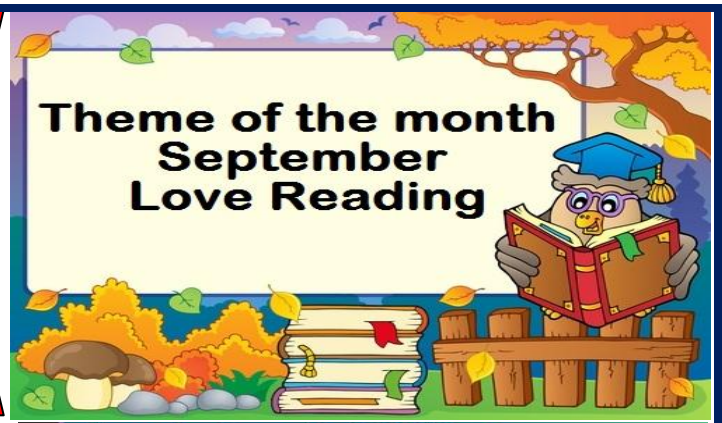

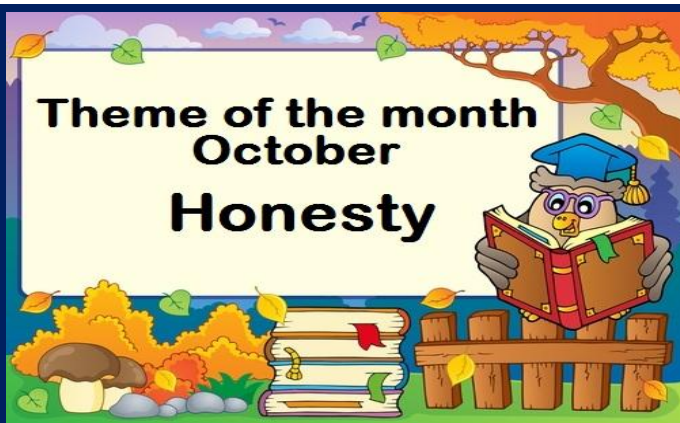

Intelligence plus character- that is the goal of true education- Martin Luther King Jr.

Education is a lifelong process and it prepares student to adapt, adjust and evolve as before

With their duties and evolve as the citizens of the world. I strongly believe liberates them, as learning is not attained by chance, it must be sought for with order and attended with diligence. For some of my students, the month of September may not be joyful as we have Term -1 exams, but I want to remind my kids that the examinations are the student's motivations to learn more. Exams compel us to solidify what we have learnt, study further and practice skills. We sharpen our logical and critical thinking with the help of exam. After all, if there was no test, then we would naturally rather play that study. An exam are essential not just to check the ability of each student but an opportunity for the student to grow in confidence and does help them in building their personalities. The better the performance the prouder one is of oneself. Each exam takes the student on the ladder of success. Exam are designed for excellence, Each and every student can excel. One cannot compare the performance of various students, as everyone's step whether small or big is a step higher.

I believe that all mouth returns do have this attitude towards examination. So, I wish all my students the very best for their Term- 1 exams. May you all reap the rewards of your hard work and sincere efforts?

May god bless you!

Forth Coming Activity

- ❖ World Food Day
- ❖ World Wild week
- ❖ National Unity Day
- ❖ Diwali Celebration
- ❖ National Education Day
- ❖ Children's Day
- ❖ Swacchtha Abhiyaan

For the students by the students

घर में बेटी जो जनम ले तो ग़ज़ल होती है
 दाई बाँहों में जो रख दे तो ग़ज़ल होती है
 नन्हे हाथों से पकड़ती है वो उंगली मेरी
 साथ मेरे जो वो चल दे तो ग़ज़ल होती है
 उसकी किलकारियों से घर जो चहकता है मेरा
 सोते सोते जो वो हँस दे तो ग़ज़ल होती है

: Panna Singh-12th

बेटी

जिस घर बेटी जन्म न लेती
 वहां शारदा कभी न आती।
 बेटी की तुतली बोली बिन
 सारी कला विकल हो जाती।
 बेटी ही सुलझा सकती है,
 माता की उलझी पहेलियां।

Teacher's Corner

आओ उत्कर्ष की बात करे !

आओ उत्कर्ष की बात करे !

थोड़ा तो हर्ष की बात करे ,

ज़िंदगी किनकी है , चंद दिन कौन यह जाने ,

थोड़ा तो नववर्ष की बात करे !

आओ उत्कर्ष की कुछ बात करे

जीने की तम्मना हर दिल में होती है ,

जीने के लिए उन्मुक्त वातावरण सौहाद करे ,

आओ उत्कर्ष की कुछ बात करे

हम भी उनके लिए जीना चाहते हैं ,

जिनकी पलके पल - पल आसुओं में भींगे होते हैं ,

आओ उत्कर्ष की कुछ बात करे ,

तम्मना मेरे भी मन में ,

ऊंचे - ऊंचे चाँद सितारों की छूने की

मगर वो भी अरमा पुरे हुए नहीं फिर

क्यों वक्त बर्बाद करे रोने में

क्यों ना किसी और के अरमान को पूरा कर

उनके दिल को चैन और सुकून दें

जिन सामाशियों का कोई हल नहीं

उनके निष्कर्ष की बात करे ,

आओ उत्कर्ष की कुछ बात करे !

- **Rashmi Rekha (Hindi Teacher)**

① Your brain generates enough electricity to power a light bulb.

② It would take close to 3,000 years to count the neurons, or nerve cells, in your brain.

④ Exercise can make your brain work better.

⑤ Each minute, about 750 millilitres – or two and a bit fizzy drinks cans of blood travel

Glimpses of Navratri Festival

Story Writing

Pen down your thought and win an existing prize. Write a story based on the given figure.

Story sends on: mlps0010@gmail.com , mlpsulao0010@gmail.com before 16 November 2021.

Word limits: 120

Artist of the month

Deepak Kumar

Class – 11th

My Hobbies: Painting, Singing & writing

“Passion of art” is the addiction and desire to create something out of imagination every now and then. One can't live without doing it, without creating something. This urge can be seen in artists, that can't live without art.
