**Dear Parents and Students,**

### **Welcome to Mount Litera Public School!**

We are delighted to begin a new academic session with renewed energy and enthusiasm. At Mount Litera, we are committed to providing meaningful and enriching learning experiences in alignment with the National Education Policy (NEP) 2020.

This year, we are taking an important step forward by introducing innovative programs that will prepare our students for the future.

### **Future-Ready Learning:**

We are proud to introduce Coding, Artificial Intelligence (AI), and Robotics into our curriculum. These subjects will help students develop creativity, logical thinking, and strong problem-solving skills required in the 21st century.

### **Interactive & Experiential Learning:**

Our modern Virtual Reality (VR) Lab will make learning more engaging and practical. Through immersive experiences, students will better understand complex concepts in an exciting way.

### **Holistic Development:**

We believe true education goes beyond textbooks. This session, we are expanding our co-curricular activities with the addition of Archery. Upcoming facilities such as Horse Riding, Skating, Basketball, and Table Tennis will provide students with more opportunities to explore their interests and improve their physical fitness. We extend our best wishes to all our students for a successful, joyful, and fulfilling academic year.

**With Best Wishes,**

**Dr. Sheetal**

Principal

Mount Litera Public School

# Blend of academic and co-curricular activities

## Severe Cold Wave: Mount Litera Ensures Learning Continues through online classes

*Students' Safety First, Education Uninterrupted*

**Begusarai | 5 January 2026**

Due to the severe cold wave in Begusarai, the district administration ordered the temporary closure of all schools to ensure students' safety. In response, Kidzee and Mount Litera Public School, Ula, immediately shifted to online classes to ensure that learning continues without interruption. The school management prioritized both safety and academic continuity. Teachers conducted well-structured and interactive online sessions, enabling students to continue their studies safely from home. Director **Dr. Manish Deva** stated that students' safety remains the top priority, and all actions were taken strictly as per government guidelines. Principal **Dr. Sheetal** appreciated the dedication of teachers in maintaining discipline and quality education through virtual classes.

Parents expressed their appreciation for the school's timely and responsible initiative.

## Makar Sankranti Celebration: Learning Culture and Science

**13 January 2026:** Makar Sankranti was celebrated with joy and enthusiasm at Mount Litera Public School. Students presented speeches, a question-answer session, and a colourful dance performance on the song "Udi Udi Jaye." Children also enthusiastically participated in a kite-flying activity. Students were informed about the scientific significance of Makar Sankranti, learning that the Sun enters the Capricorn zodiac on this day, leading to longer days and positive seasonal changes. Thus, students understood both the cultural and scientific importance of the festival. Principal **Dr. Sheetal** highlighted that such activity-based programs promote curiosity, creativity, and positive thinking among students. Director **Dr. Manish Deva** emphasized the importance of connecting Indian culture with scientific understanding.

## Mount Litera Wins First Prize at Mega STEM Exhibition

17 January 2026

At the beginning of the year itself, Mount Litera Public School achieved a proud milestone by winning **First Prize** at the “LET IDEAS SPARK | Mega STEM Exhibition 2025–26,” organized by Patna Sahodaya School Complex at Baldwin Academy. The school presented an innovative

model titled “**AI Smart Farmer Guardian – Weather, Crop and Farm Intelligence System**” Under the same AI, Robotics and Automation The project was guided by teachers Isha Sinha,

**Manikant Kumar** Students **Kavya Maskara (Class 6)**, **Sanvi Priya (Class 6)**, **Misha Bharti (Class 7)**, and **Aryan S. Nair (Class 8)** worked together, showcasing teamwork, creativity, and scientific thinking. The model demonstrated smart farming solutions such as weather and soil monitoring, smart irrigation, crop disease detection, AI chatbot, mobile alerts, and laser security systems. Principal **Dr. Sheetal** and Director **Dr. Manish Deva** congratulated students and teachers, stating that the achievement reflects the school’s strong focus on innovation and STEM education. **Special thanks to Mr. Amit (Drobozone)** for his valuable support and guidance in enhancing the technical aspects of the project.

## Kidzee Galaxy Walk Program Inaugurated

**19-23 January 2026:** five-day **Galaxy Walk Program** was inaugurated at Kidzee Vatsalya Vihar, Barauni Refinery Township, by Director **Dr. Manish Deva**, Principal **Dr. Sheetal**, and Territory Manager **Jayesh Menon**. The program aimed to help parents understand Kidzee's educational philosophy. Territory Manager **Jayesh Menon** explained that Kidzee follows the **Pentamind Model**, focusing on continuous development rather than marks.

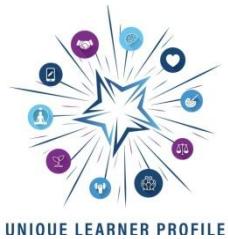

Principal **Dr. Sheetal** highlighted that the program allows parents to experience Kidzee's learning approach based on cognitive, physical, social, emotional, and spiritual development. Director **Dr. Manish Deva** emphasized the importance of strong early foundations through play-based and digital learning.

## Galaxy Walk at Mount Litera: Panchkosha-Based Education

**20-23 January 2026:** Mount Litera Public School hosted a four-day **Galaxy Walk**, showcasing Zee Learn's 2026–27 teaching pedagogy based on the **Panchkosha concept**. The program

allowed parents to experience activity-based learning focused on the holistic development of children.

Director **Dr. Manish Deva** and Principal **Dr. Sheetal** explained how the five layers—physical, vital, mental, intellectual, and emotional—support balanced growth. The event highlighted value-based education inspired by Indian culture and *Vasudhaiva Kutumbakam*.

## Subhas Chandra Bose Jayanti Celebration

**22 January 2026** :Subhas Chandra Bose Jayanti was celebrated with patriotic fervour at Mount Litera Public School. Students presented an inspiring play, speeches in Hindi and English, and a powerful rendition of "Kadam Kadam Badhaye Ja."

Principal **Dr. Sheetal** encouraged students to follow Netaji's values of courage and dedication. Director **Dr. Manish Deva** urged everyone to practice patriotism through actions, not just words.

## Republic Day Celebration at Mount Litera & Kidzee

**26 January 2026:** Republic Day was celebrated with pride and enthusiasm across Mount Litera Public School and Kidzee centres. Director **Dr. Manish Deva** and Principal **Dr. Sheetal**

hoisted the national flag. Students presented Taekwondo demonstrations, cultural dances, patriotic songs, and performances reflecting Indian values. The celebration highlighted discipline, unity, and respect for the Constitution.
